Description

Unique architecture and contemporary design in family oriented Morris Village. Ornamented with hardwood floors and quality finishes, stone accent walls in the beautiful living room, a designer-inspired kitchen with social centre island, quartz counters and a stunning backsplash. The chic dining room with patio doors leads to covered porch and fully landscaped back yard with extensive interlock and above ground pool! The striking staircase with rod iron spindles continues to the 2nd level, home to the master suite with a luxury 5pc ensuite and large walk-in closet, 2 spacious secondary bedrooms and full bathroom complete with laundry. The fully finished basement has lots of space for the entire family with a large room with cozy gas fireplace, a practical den; perfect for a home office, a bonus 4th bedroom and full bathroom. Walking distance from school, parks and YMCA.
